To: Our shareholders

Dear Sir/Madam,

(I) PROPOSED ESS

(II) PROPOSED ALLOCATION

1. INTRODUCTION

On 15 October 2021, HLIB, on behalf of our Board of HLI, had announced that our Company proposed to undertake the following:

- (i) establish and implement the Proposed ESS, which comprise the Proposed ESOS and the Proposed ESGS of up to 10% of the total issued Shares (excluding treasury Shares) for the Eligible Executives; and
- (ii) allocation of Options and/or Grants to our Group Managing Director under or pursuant to the Proposed ESS.

Our Company currently has in place an Existing ESS. Further information on the Existing ESS are set out in **Appendix II** of this Circular. Notwithstanding the establishment and implementation of the Proposed ESS, the aggregate number of Shares available under the Proposed ESS and Existing ESS shall not, in any event, exceed 10% of our Company's total issued Shares (excluding treasury Shares) at any one time.

On 20 October 2021, HLIB, on behalf of our Board of HLI, had announced that an application in relation to the Proposed ESS had been submitted to Bursa Securities on 18 October 2021.

On 25 October 2021, HLIB, on behalf of our Board of HLI, had announced that Bursa Securities had, on 22 October 2021, approved the listing of and quotation for such number of new Shares representing up to 10% of the total issued Shares (excluding treasury Shares) to be issued under the Proposed ESS on the Main Market of Bursa Securities, subject to the conditions as set out in **Section 7** of this Circular.

THE PURPOSE OF THIS CIRCULAR IS TO PROVIDE YOU WITH THE DETAILS OF THE PROPOSALS AND TO SEEK YOUR APPROVAL ON THE ORDINARY RESOLUTIONS PERTAINING TO THE PROPOSALS TO BE TABLED AT OUR FORTHCOMING AGM. THE NOTICE OF AGM AND THE FORM OF PROXY ARE SET OUT IN THE 2021 ANNUAL REPORT OF HLI, WHICH IS AVAILABLE ON HLI'S WEBSITE AT WWW.HLI.COM.MY/GM_CURRENT.PHP.

YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR, TOGETHER WITH THE APPENDICES, BEFORE VOTING ON THE ORDINARY RESOLUTIONS PERTAINING TO THE PROPOSALS TO BE TABLED AT OUR FORTHCOMING AGM.

2. DETAILS OF THE PROPOSALS

2.1 Proposed ESS

The Proposed ESS shall be administered by the Board. The Proposed ESS, which shall be governed by the Bye-Laws, entails the making of one (1) or more of the following Offers to the Eligible Executives:

- (i) Options which entitle an Option Holder to acquire Shares at pre-determined exercise prices; and/or
- (ii) Grants which entitle a Grant Holder to receive Shares without any consideration payable by the Grant Holder.

The Board may, at its discretion, impose such vesting conditions (including financial and performance targets, the Performance Period and vesting period, if any) as it deems fit with the Offers. In determining whether to make an Option Offer and/or a Grant Offer, the Board may take into consideration various factors such as market practice, the quantum of the award, the length of the Performance Period and the performance targets.

For example, where the reward is performance based and the performance period and vesting period may stretch over 60 months, the Board may consider a Grant Offer to minimise the uncertainty caused by share price volatility.

Depending on the circumstances at the point of vesting, notwithstanding that the Board has awarded either Option Offers and/or Grant Offers, the Bye-Laws allow for such Option Offer and/or Grant Offer to be substituted with Alternative Settlement (as set out in **Section 2.1.5** of this Circular).

In implementing the Proposed ESS, it is the intention of our Company to have the flexibility, at the absolute discretion of the Board, to enable the satisfaction of the Options and/or Grants through the following:

- (i) issue of new Shares;
- (ii) transfer of treasury Shares;
- (iii) transfer of existing Shares (other than treasury Shares); and/or
- (iv) cash settlement pursuant to the Bye-Laws.

To facilitate the implementation of the Proposed ESS, our Company may make the necessary arrangements, including appointing a trustee, to acquire treasury Shares or other existing Shares or to subscribe for new Shares, for the purpose of the Proposed ESS (“Trustee”) under a trust to be established (“Trust”). The Trustee shall administer the Trust in accordance with a deed of trust to be executed between the Trustee and our Company.

The salient features of the Bye-Laws are as set out below. Please refer to **Appendix I** of this Circular for the draft Bye-Laws.

2.1.1 Maximum number of new Shares available under the Proposed ESS

At any point of time during the existence of the Proposed ESS, the aggregate number of Shares comprised in the Options and/or Grants under the Proposed ESS, and any other executive share schemes established by our Company which are still subsisting, shall not exceed an amount equivalent to 10% of the total issued Shares (excluding treasury Shares) at any one time (“**Maximum Aggregate**”).

2.1.2 Eligibility

The participants in the Proposed ESS must be at least 18 years of age and:

- (i) be an executive of a Member of our Group and has been confirmed in service; or
- (ii) be a director of a Member of our Group,

as at the Date of Offer.

The Board may from time to time at its absolute discretion select and identify suitable Eligible Executives to be made Offers.

Notwithstanding that non-executive directors may be eligible to participate in the Proposed ESS, in the event our Company decides to offer Options or Grants to the non-executive directors of our Company, our Company will seek shareholders’ approval for authority to do so and the rationale for the same will then be provided.

2.1.3 Offers

The Board may, from time to time, at its absolute discretion make one or more Offers and determine the number of Shares and the terms and conditions to be comprised in an Offer.

Where an Eligible Executive holds 20% or more of the total issued Shares (excluding treasury Shares), either singly or collectively through persons connected with the Eligible Executive (as defined in the Listing Requirements), the allocation to such Eligible Executive must not exceed 10% of the Maximum Aggregate.

The Board may at its absolute discretion determine the aggregate allocation to the directors and senior management of our Group under the Proposed ESS, but in any case, it shall not exceed the Maximum Aggregate and where applicable, to be in accordance with the additional limit as set out above.

2.1.4 Malus and/or clawback

The Board has put in place malus and clawback provisions allowing our Group to reduce or cancel a Holder’s award before the Options are exercised and/or Grants have vested (malus) and to recover any award of Shares to an Eligible Executive pursuant to the exercise of Options and/or vesting of Grants (clawback).

Such rights are exercisable only in certain circumstances such as fraud, misconduct, financial misstatements or causing material risks or exposure unacceptable to our Company.

Upon the occurrence of the applicable malus and/or clawback event(s) to be determined:

- (i) the number of Shares that may be vested and/or acquired under an Option/Grant may be reduced (including to nil); and
- (ii) Shares may be clawed back and/or the equivalent cash sum may be repaid.

2.1.5 Price

The Board may, at its absolute discretion, determine the Option Price provided that the Option Price fixed shall not be at a discount of more than 10% (or such discount as the relevant authorities shall permit) from the five (5)-day volume weighted average market price (“**VWAMP**”) of the Shares preceding the Date of Offer.

Subject to the laws and Listing Requirements, the Board may, at its absolute discretion, and at any time (including without limitation, after an Option has been exercised or after the date of vesting of a Grant, as the case may be), decide that in substitution for all or any part of the Shares which the Holder would otherwise be entitled to upon exercise of an Option or vesting of a Grant, the Holder shall be paid in cash in lieu of the substituted Shares (“**Alternative Settlement**”) of an amount equal to:

- (i) in the case of an Option, the aggregate VWAMP of the substituted Shares for such period preceding or following such date as determined by the Board at its absolute discretion, (“**Market Value**”) less the aggregate Option Price of such substituted Shares; and
- (ii) in the case of a Grant, the aggregate Market Value of the substituted Shares.

The Alternative Settlement is intended to provide the Board with the flexibility to replace the Options and/or Grants awarded, if and when circumstances such as regulatory, legal or market constraints arise which may have the effect of preventing, delaying or restricting the Board’s ability to expediently fulfil its obligations to the Holders.

For example, the Alternative Settlement may enable the Board to minimise any delay or mitigate any restrictions caused by any offshore regulatory or legal constraints applicable to foreign employees.

2.1.6 Ranking of Shares pursuant to the Proposed ESS

In the event that any new Shares are to be allotted and issued pursuant to the Proposed ESS, the new Shares shall, upon allotment and issue, rank equally in all respects with the existing issued Shares, except that they will not rank for any dividend, right, entitlement and/or distribution, in respect of which the record date precedes the allotment date of the new Shares and will be subject to all the provisions of the Constitution of our Company relating to transfer, transmission or otherwise.

In the event any treasury Shares or existing Shares are to be transferred upon the exercise of an Option or vesting of a Grant pursuant to the Proposed ESS, the treasury Shares or existing Shares shall be transferred together with all dividends, rights, entitlements and distributions, in respect of which the record date is on or after the transfer date.

2.1.7 Duration of the Proposed ESS

The Proposed ESS shall be in force for a period of 10 years from the effective date for the implementation of the Proposed ESS to be determined by our Board of HLI after fulfilment of all the relevant requirements of the Listing Requirements.

The Proposed ESS may be terminated by our Company prior to the expiry of the duration of the Proposed ESS, provided our Company is allowed to do so by the Listing Requirements, and continues to fulfil our contractual obligation to the Holders. Upon termination of the Proposed ESS, no further Offers shall be made by a Member of our Group.

Subject to the laws and Listing Requirements, any or all parts of the Proposed ESS may be extended by our Board of HLI at its absolute discretion for such period as it deems fit or expedient provided always that during the extended period, the Proposed ESS may only be satisfied by the transfer of treasury Shares and/or existing Shares.

2.1.8 Liquidation of our Company

Upon the commencement of winding-up of our Company, all unaccepted Offers, all Options and Grants not vested, and all vested Options and vested Grants for which Shares have not yet been transferred, shall lapse and be null and void and be of no further force and effect.

The winding-up of any Member of our Group other than our Company shall have no effect on the Proposed ESS or the provisions of the Bye-Laws.

2.1.9 Adjustment events

In the event of an alteration in the capital structure of our Company during the duration of the Proposed ESS:

- (i) in the case of the Proposed ESOS, adjustments may be made to the number of Shares comprised in an Option Offer or Option, or any portion that is unexercised, or Option Price; and
- (ii) in the case of the Proposed ESGS, adjustments may be made to the number of Shares comprised in a Grant Offer or Grant, or any portion that is not vested,

in accordance with the Bye-Laws.

Any adjustment arising from a bonus issue, subdivision or consolidation of Shares shall be as determined by the Board to be in its opinion fair and reasonable to the Holders and the decision of the Board shall be final and binding in all respects on the Holders.

Any adjustment other than on a bonus issue, subdivision or consolidation of Shares must be in such manner or formula as to give the Holders a fair and reasonable entitlement under the Proposed ESOS and Proposed ESGS as confirmed in writing by the external auditors or the Principal Adviser of our Company (acting as an expert and not as an arbitrator) as being in its opinion fair and reasonable. The confirmation by the external auditors or the Principal Adviser of our Company shall be final and binding in all respects on the Holders.

2.2 Proposed Allocation

Our Company proposes to seek the approval of our shareholders for authority to grant Options and/or Grants to YBhg Dato' Jim Khor Mun Wei, our Group Managing Director, subject always to the provisions of the Bye-Laws and the relevant laws and requirements.

3. USE OF PROCEEDS

The proceeds to be received by our Company upon the exercise of the Options will depend on, amongst others, the Option Price and the number of Options granted and exercised at the relevant point in time. As such, the amount of proceeds to be received from the exercise of the Options is not determinable at this juncture.

In relation to the Proposed ESOS, the proceeds from the exercise of the Options shall be used to pay for the cost of purchasing the said Shares and/or to purchase additional Shares for the purpose of the Proposed ESS.

In relation to the Proposed ESGS, our Company will not receive any proceeds as the Grant Holders will not be required to pay for the Shares to be issued and/or transferred to them.

The estimated expenses in relation to the Proposals are approximately RM0.11 million.

For information purposes, our Company has not undertaken any equity fund raising exercise in the past 12 months before the date of announcement of the Proposals.

4. RATIONALE FOR THE PROPOSALS

The Existing ESS has a remaining period of approximately 1.5 years up to its expiry in March 2023. In view that most of our Offers are performance based with Performance Period straddling 3 years or more, new Offers would need to be made under a new executive share scheme with a longer expiry period.

Additionally, the Proposals will also enable our Company to align the long-term interests of Eligible Executives with those of the shareholders of our Company, as well as to motivate and reward them.

5. EFFECTS OF THE PROPOSALS

5.1 Issued share capital

The Proposals are not expected to have an immediate effect on the issued share capital of our Company. The issued share capital of our Company will increase depending on the number of new Shares to be issued under the Proposals. However, if existing Shares or treasury Shares are transferred to any Holder pursuant to the exercise of Option or vesting of Grant respectively, or if our Company cash-settles the Options and Grants, there will be no effect on the issued share capital of our Company.

5.2 Substantial shareholders' shareholdings

The Proposals are not expected to have any immediate effect on the shareholdings of substantial shareholders of our Company until and unless new Shares are issued or treasury Shares are transferred, as the case may be, to the Holder. Any effect on the substantial shareholders' shareholdings of our Company will depend on the number of such new Shares issued or such treasury Shares transferred pursuant to the Proposals at the relevant point in time.

In the event that existing Shares are transferred to the Holder as a mode of settlement for the Options and Grants or if our Company cash-settles them, there will be no impact to the substantial shareholders' shareholdings of our Company.

5.3 Earnings and EPS

In accordance with the Malaysian Financial Reporting Standard 2 on Share Based Payment issued by the Malaysian Accounting Standards Board, the potential cost of the Options and Grants cannot be determined at this juncture as they will be measured at fair value on the Date of Grant and recognised as an expense in the statement of profit or loss and other comprehensive income of our Group over the vesting period of such Options and Grants.

The extent of the effect of the Proposals cannot be determined at this juncture as it would depend on various factors that affect the fair value of the Shares at the respective Date of Offer. However, depending on the manner in which the Options and Grants are satisfied, the potential cost of granting them may not necessarily represent a cash outflow and may only be an accounting treatment.

Any allotment and issuance of new Shares, transfer of treasury Shares and/or existing Shares to be held in a Trust pursuant to the Proposals may have a dilutive effect on the EPS of our Company due to the resultant increase in the number of issued Shares (excluding treasury Shares and/or existing Shares to be held in a Trust pursuant to the Proposals).

5.4 NA and gearing

The Proposals are not expected to have an immediate effect on the NA, NA per Share and gearing of our Group based on its latest audited consolidated financial statements for the financial year ended ("FYE") 30 June 2021 until such time new Shares are issued, treasury Shares are transferred and/or existing Shares to be held in a Trust pursuant to the Proposals are transferred in connection with the exercise of Options and/or vesting of Grants.

Any potential effect on the NA, NA per Share and gearing of our Company will depend on the mode of settlement of the Options and Grants, which will only be determined at the time of exercise of Options and/or vesting of Grants. Any allotment and issuance of new Shares, transfer of treasury Shares and/or existing Shares to be held in a Trust pursuant to the Proposals may have a dilutive effect on the NA per Share of our Company due to the resultant increase in the number of issued Shares (excluding treasury Shares and/or existing Shares to be held in a Trust pursuant to the Proposals).

5.5 Convertible securities

Our Company does not have any outstanding convertible securities as at the LPD.

6. HISTORICAL SHARE PRICES

Without prejudice to the generality of the foregoing, the Board shall have power from time to time to make, or vary, regulations relating to the Scheme 2021 provided that such regulations are not inconsistent with the provisions of these Bye-Laws.

3. BASIS OF ALLOCATION AND QUANTUM OF SHARES AVAILABLE UNDER THE SCHEME 2021

- 3.1 The allocation of Shares to be made available for Offers under the Scheme 2021 shall be determined by the Board at any time and from time to time.
- 3.2 The Board shall determine whether Shares available under this Scheme 2021 are to be offered to the Eligible Executive via ESOS or ESGS, or a combination of both. The Board may decide, at its absolute discretion, to change an Offer made as an Option or a Grant to a Grant or an Option respectively, after it has been made.
- 3.3 The ESOS and ESGS may be satisfied:
